

*The Society of St. Vincent de Paul
of Contra Costa County*

St. Vincent de Paul of Contra Costa County has been the “safety net of the safety net” for the underserved in Contra Costa for over 57 years, providing hope, strength and support to those dealing with the challenges of poverty. We work to resolve the issues of hunger, homelessness, unemployment and suffering by providing basic human services of food, shelter, medical & dental care for the uninsured, nutrition & fitness classes, transitional employment for those with barriers, clothing, furniture, emergency assistance and referral to other social services. We serve over 140,000 Contra Costa residents annually from our Pittsburg Family Resource Center, 3 Thrift Stores and 29 branches. Annually, SVdP distributes over \$1.1 million of direct aid, (mostly housing assistance), and provides over \$1.7 million in in-kind services, (food, clothing, furniture, shelter, medical and dental services).
